Lifestyle Information

The human body is designed to be healthy. The primary system in the body which coordinates health and function is the nervous system. Your nervous system is surrounded and protected by the bones of the spine, called vertebrae. Physical, emotional, and chemical stresses, common to our contemporary lifestyle, can result in misalignment to the spinal column as well as damage the delicate nervous system. The result is a condition called a **Vertebral Subluxation**. The remainder of the intake form addresses the possible factors which may contribute to vertebral subluxation in your spine which may be impeding your body's ability to heal.

Financial and Cancellation Policy

The doctors and staff at Village Wellness are dedicated to providing the best possible care and service to you, and regard your complete understanding of your financial responsibilities as an essential element of your care and treatment with us. Please initial next to each section to confirm your understanding and acceptance of our policies:

FEE FOR SERVICE

Village Wellness is a fee for service facility and we require payment at the time of your visit, with the exception of a limited number of companies for which direct billing is available (see below). Many services are covered in part or in full by third party insurance; however, it is ultimately the responsibility of the patient to ensure payment is made at the time of service. Our recommendations for care are based upon our desire to see you get and stay well, despite your level of coverage. Insurance plans or coverage maximums are in no way related to your health but rather are functions of a financial arrangement between you and your insurance provider.

PRIVATE INSURANCE COVERAGE

Your insurance policy is a contract between you and your insurance company, not between your insurance company and our office. Please take the time to verify your coverage for chiropractic, massage therapy and/or orthotics with your insurer by contacting them prior to your first visit. Please also inquire and obtain any specific insurer required medical prescriptions for service. If you are choosing to submit receipts for reimbursement Village Wellness will provide you with appropriate payment receipts for your reimbursement either at each visit or after multiple appointments depending on your preference.

DVA / RCMP

Direct billing is currently offered to DVA / RCMP patients. If you exhaust your coverage prior to authorization of an extension request, then you are responsible for any of your services received outside of your original coverage. **IF FOR ANY REASON, DVA OR RCMP WILL NOT APPROVE YOUR CLAIM, YOU SHALL ULTIMATELY BE RESPONSIBLE FOR ALL CHARGES INCURRED.**

MOTOR VEHICLE PATIENTS

In order to provide direct billing service under the Nova Scotia Motor Vehicle Act, you must abide by the requirements of the approved section B protocols, which may involve exhaustion of your private insurance coverage (depending on your individual circumstances). **IF FOR ANY REASON, YOUR MOTOR VEHICLE INSURER WILL NOT ACCEPT YOUR CLAIM; YOU SHALL ULTIMATELY BE RESPONSIBLE FOR ALL CHARGES INCURRED.**

WORKER'S COMPENSATION PATIENTS

If you are injured on the job, you will need to inform your employer of the accident and obtain a WCB claim number prior to direct billing by Village Wellness. **IF FOR ANY REASON, WCB WILL NOT ACCEPT YOUR CLAIM; YOU SHALL ULTIMATELY BE RESPONSIBLE FOR ALL CHARGES.**
